Pumpkin Pass at Festival Way				2016

Appendix B

Resident Survey

Binbrook Village NTMP Resident Survey

Date:_____, 2017

Introductory Statement

The City of Hamilton is undertaking a Neighbourhood Traffic Management Plan (NTMP) for Binbrook Village. Your assistance in completing this survey will help us to identify existing neighbourhood transportation concerns and issues to make your neighbourhood even better. The information collected from this survey will be reviewed and analyzed with the aim of addressing those concerns and issues through the NTMP in an effort to make your neighbourhood even better.

Survey Questions

1. Do you live in the Binbrook Village?
    - No ☐
    - Yes ☐

2. Tell us about yourself - Your responses to the survey will become part of the public record, your personal information will not.

    Name (first and last) (optional) _____

    Address or nearest intersection (optional)_____

    Email (optional)_____

3. How many people, including yourself as the designated household representative for this survey, live in your household?
   - 1 ☐
   - 2 ☐
   - 3 ☐
   - 4 ☐
   - 5 or more ☐

4. What is your primary method of transportation within Binbrook Village?
   - Car ☐
   - Walk ☐
   - Bicycle ☐
   - Other (please specify) ☐

_____

5. Please rate your level of concern about each of the following traffic issues in Binbrook on a scale of 1-5, 1 being an issue you are least concerned with and 5 being an issue you are very concerned with.

	1 (least concerned)	2	3	4	5 (very concerned)
• Distracted Driving					
• Illegal Parking (on or off street)					
• Traffic congestion					
• Speeding					
• Violations of traffic controls (stop signs, yields, traffic signals)					
• Pedestrian crossings (inadequate or need for more)					
• Inadequate provision for cyclists					
• Other (please specify)					

6. Please identify how safe you feel when doing each of the following in Binbrook:

	Very Unsafe	Unsafe	Somewhat Safe	Safe	Very Safe
• Driving					
• Walking					
• Jogging					
• Biking					

7. Do you walk or cycle to the following destinations? Please respond ‘yes’ or ‘no’

	Yes	No
• Bellmore Elementary School		
• St. Matthew Catholic Elementary School		
• Binbrook Gym		
• Commercial area near Regional Road 56, north of Binbrook Road		

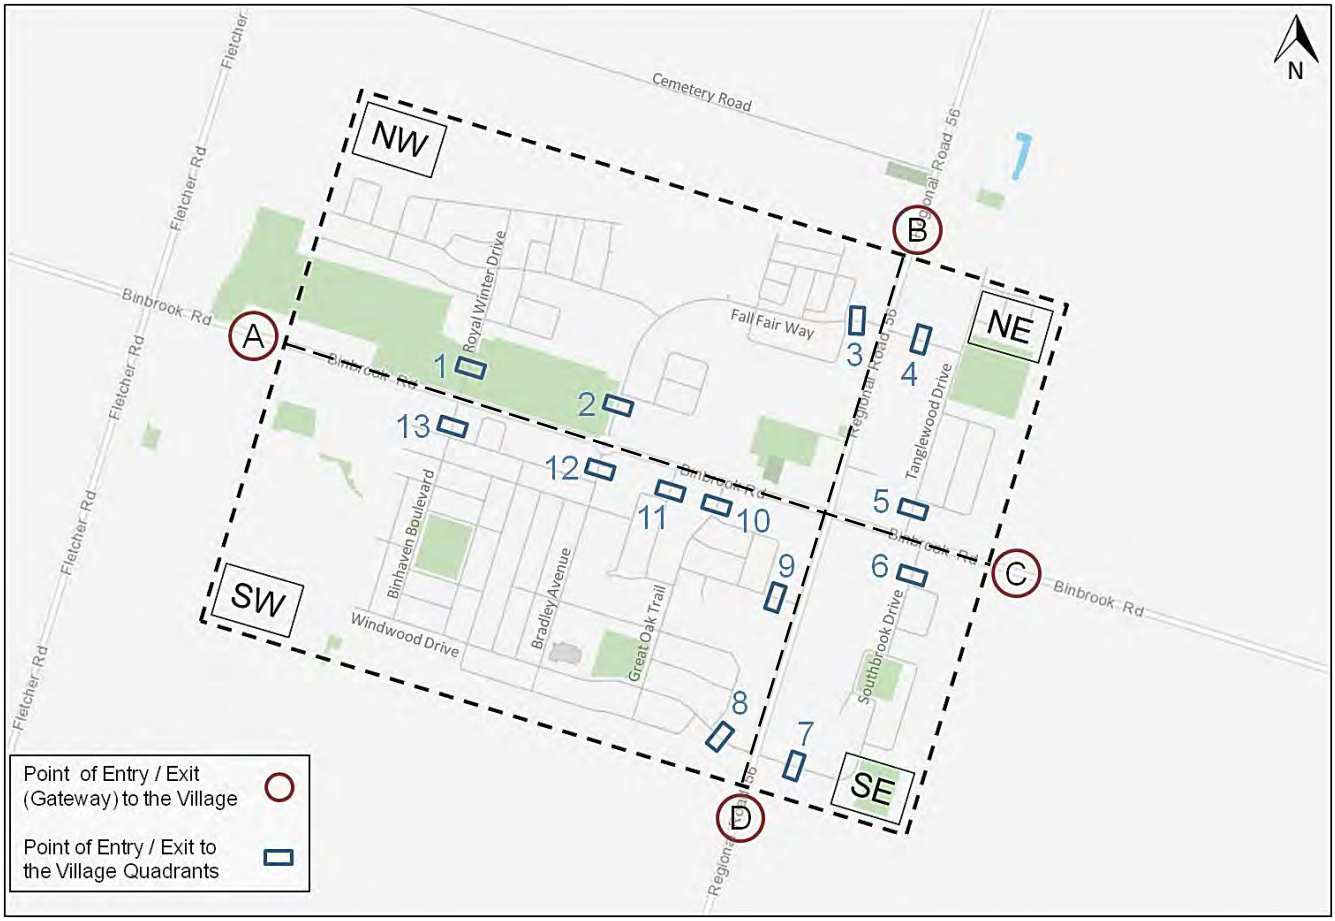

Figure 1

8. Please indicate in which quadrant of the Village you reside.
   - Northwest Quadrant ☐
   - Northeast Quadrant ☐
   - Southwest Quadrant ☐
   - Southeast Quadrant ☐

9. Using the ID numbers 1-13 in Figure 1, please select which intersection you usually use to get out of your neighbourhood. If other, please specify.

   _____

10. Using the ID letters A-D in Figure 1, please select the location you usually pass through to get out of Binbrook Village? If other, please specify.

    _____

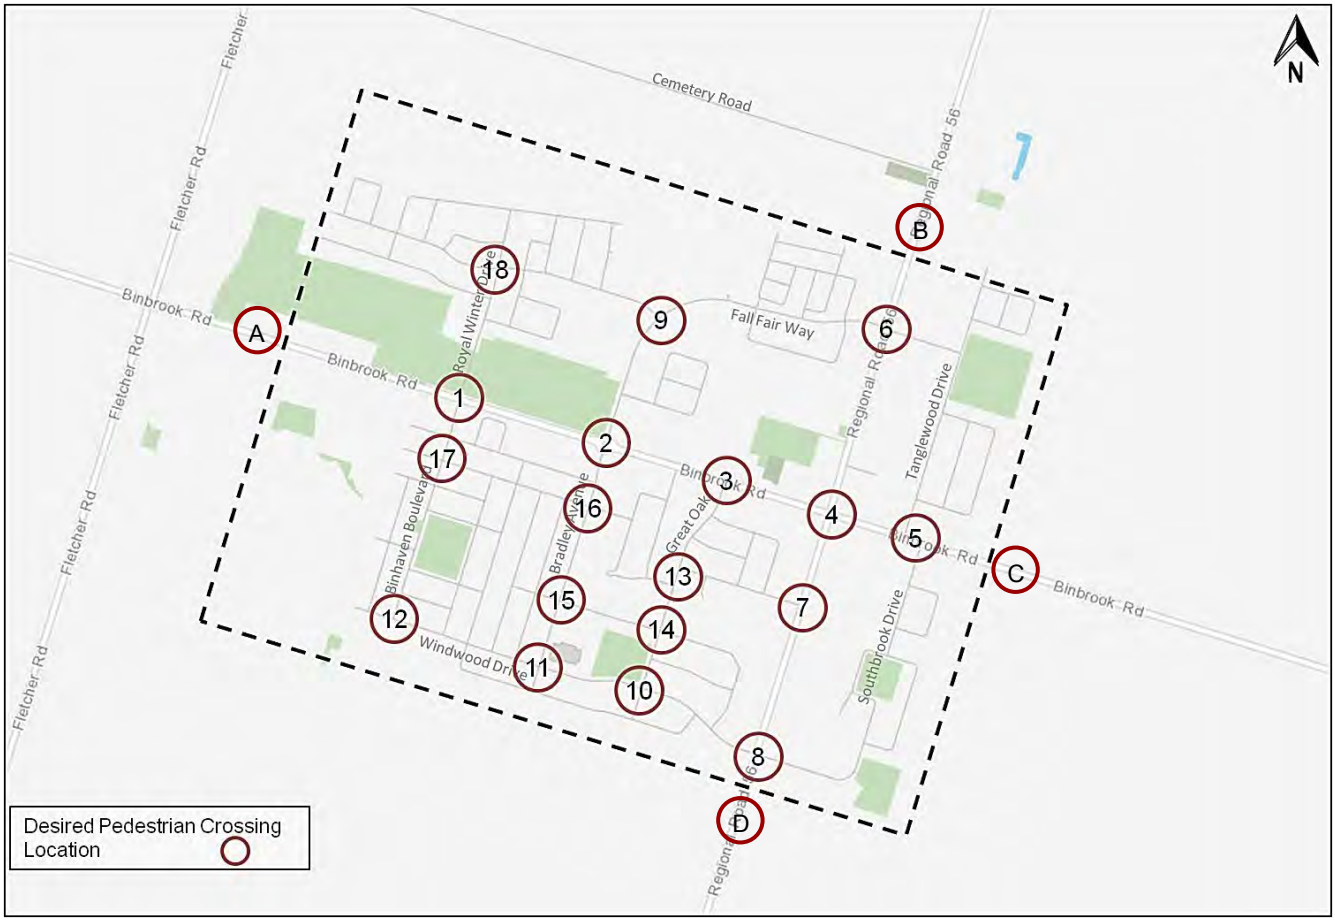

Figure 2

11. Using the ID numbers 1-18 and letters A-D in Figure 2, please identify all areas that you believe need improvements to enhance the safety and comfort for all users.

_____

_____

12. Are there any locations within the Village that you believe need improvements to safety and what would you do to correct the issue?

Location (Intersection/Block)	Observed Problem/Concern	Suggested Action

13. Do you have any other suggestions about what residents can do to improve traffic/pedestrian safety in Binbrook?

14. Do you have any additional comments or concerns that you would like to share with City staff about traffic issues in Binbrook?

Appendix D

PIC #1 Board Comments and Comment Forms

Table D-1: PIC #1 Board Comments

Board Comment was Posted on	Comment
Overview Board	- Fall Fair Way and Valiant: lighted crosswalk for pedestrian park access - Eliminate parking on curbs within the subdivision - Valiant and Fair Way: One sided parking as two sided impacts turning capabilities - Concerns with high speeds along Tanglewood - Cannot Cross at Maggie Johnson Drive and Tanglewood: vehicles do not slow down around roundabout
North/ South East Quadrant	- Put line beside the bike zone (referring to configuration green and a separated bike lane) - Concerned about condo being built at the south end of Tanglewood Dr and Binbrook - “Only way to stop speeding is fines” - Fall Fair Way and Highway 56: Red light Camera - Tim Hortons at Binbrook and Highway 56: Parked truck blocks sightline out of parking lot
Southwest Quadrant	- Traffic light at Binbrook Road and Binhaven - Great Oak: Traffic Calming Speed Bump - Voyager Pass: eliminate parking on inside curbs and street intersections if you cannot do the proposed one sided parking
North West Quadrant	- Do not like integrate bike lane (green configuration) - Remove parking along Royal Winter Drive, and add a parking inset, like in front of the school, along Royal Winter south of County Fair Way - Need sidewalk on both sides of the road - Pumpkin and Festival: there’s a school bus stop, no sidewalk on 1 side, provide refuge; SE and NE corners - Parking on County Fair Way on North Side only. Rez Accepted. - No parking on Country Fair Way from Hitching Post to Royal Winter - Sign on how to enter and exit a traffic circle (Fall Fair Way and Binbrook Rd) - Provide parking for the park, cars spill out into side street - Valiant Circle: Eliminate parking from inside curves – snow removal and safety issue - Raised intersection at school (where continental currently proposed) - At school: Crossing guard to stay until kids show up. They leave early. - Chicane east of Royal Winter Drive on Binbrook Rd

Binbrook Village Neighbourhood Traffic Management Plan

5. **Which of the traffic safety improvement measures outlined today (pedestrian crossovers, raised intersections, speed tables, curb extensions, pinchpoints and chicanes) do you prefer? Why?**

Crossovers not feasible for Binbrook.
Curb extensions look good and would be useful.
Pinchpoint and chicanes may not be helpful ~~but~~ and
may impede traffic flow.

6. **What do you think of the locations and proposed traffic safety improvement measures for Binbrook Village? What comments or concerns do you have?**

Agree with proposed safety improvements

7. **Do you have any other comments you would like to share as we move forward with the Binbrook Village Neighbourhood Traffic Management Plan?**

We need a red light camera at the intersection
of Fall Fair Way and 56 Hwy.
We have witnessed, numerous times, people
running the red lights here.

Please submit your written comments* before leaving the meeting today.

Additional Project information is available on the Project website: hamilton.ca/BinbrookVillageNTMP

** Under the Freedom of Information and Protection of Privacy Act, unless otherwise stated in the submission, any personal information such as name, address, telephone number and property location included in a submission will become part of the public record files for this matter and will be released, if requested, to any person.*

Binbrook Village Neighbourhood Traffic Management Plan

5. **Which of the traffic safety improvement measures outlined today (pedestrian crossovers, raised intersections, speed tables, curb extensions, pinchpoints and chicanes) do you prefer? Why?**

Pinchpoints & curb extensions in area of Fall Fair Way & Valiant Circle are an excellent idea to help pedestrians crossing to park in that area. You need to re-align the west sidewalk ramp to match (line up) with road crossing signage

6. **What do you think of the locations and proposed traffic safety improvement measures for Binbrook Village? What comments or concerns do you have?**

Re: Valiant Circle, (as an example) Voyager Pass All curves ~~[illegible]~~ intersections need signage restricting parking on either side. The ~~[illegible]~~ length needs to be sufficient enough to allow full visibility going around curve, plus ample space to endure cars remain on proper side of road.

7. **Do you have any other comments you would like to share as we move forward with the Binbrook Village Neighbourhood Traffic Management Plan?**

(1) Parking is needed to accommodate the ~~[illegible]~~ vehicle increase in the area of Fall Fair Way & Valiant Circle due to increased usage of the community park during the Summer. Suggest a second parking lot on park grounds in this area.

Please submit your written comments* before leaving the meeting today.

Additional Project information is available on the Project website: hamilton.ca/BinbrookVillageNTMP

** Under the Freedom of Information and Protection of Privacy Act, unless otherwise stated in the submission, any personal information such as name, address, telephone number and property location included in a submission will become part of the public record files for this matter and will be released, if requested, to any person.*

Binbrook Village Neighbourhood Traffic Management Plan

We want to hear from you! The City of Hamilton is developing a Neighbourhood Traffic Management Plan (NTMP) for Binbrook Village to enhance safety and create a more livable and walkable community for all road users – pedestrians, cyclists and motorists of all ages and abilities. To gather input from the community a survey was completed from March 8 to April 3 and a Public Information Centre (PIC) was held on April 1.

Please Print Your Name and Contact Information Below:

First Name:	TERRY	**Last Name:**	MCKIBBIN
Address:	13-45 ROYAL WINTER	**City:**	BINBROOK
Postal Code:	L0R 1C0	**Email:**	

1. **What was the most valuable part of the Public Information Centre (PIC) to help your understanding of the NTMP for Binbrook Village?** *(please check all that apply)*

   - [x] Viewing the information display boards
   - [x] Talking with the Project Team
   - [ ] Providing feedback regarding the Project
   - [ ] Other, please specify: _____

2. **Did you find the information provided at this PIC helpful and informative?**

   - [x] Yes
   - [ ] No

3. **If not, what additional information would you like to receive?**

   _____

   _____

   _____

   _____

4. **Did you share your traffic-related safety concerns in Binbrook Village through the online Traffic Survey?**

   - [x] Yes
   - [ ] No

(Please complete both sides of this form)

Binbrook Village Neighbourhood Traffic Management Plan

5. Do you have any other comments you would like to share as we move forward with the Binbrook Village Neighbourhood Traffic Management Plan?

I WOULD LIKE TO SEE THE CITY OFFER A DISCUSSION GROUP FORMAT WHEREBY ALL THE INFORMATION IS GIVEN TO THE RESIDENTS AS A GROUP AND THE RESIDENTS HAVE THE OPPORTUNITY TO RESPOND / ASK QUESTIONS. THIS ELIMINATES DUPLICATE QUESTIONS + ALLOWS RESIDENTS TO HEAR ALL CONCERNS.

Please submit your written comments* before leaving the meeting today.

Southbrook Dr should be parking 1 side only.
It is currently a safety problem.
All in favour of your proposal

Binbrook Village Neighbourhood Traffic Management Plan

5. Do you have any other comments you would like to share as we move forward with the Binbrook Village Neighbourhood Traffic Management Plan?

1. Maybe there should be another traffic circle @ Royal Winter Dr/Binhaven Dr @ Binbrook Rd - hard to get across Binbrook Rd
2. Southbrook Dr should only have alternating parking on one side only -
3. Should have a bike lane - on Binbrook Rd. through the village - east to west.

Please submit your written comments* before leaving the meeting today.

Binbrook Village Neighbourhood Traffic Management Plan

5. Do you have any other comments you would like to share as we move forward with the Binbrook Village Neighbourhood Traffic Management Plan?

My main concern at this point. is the addition of the new plaza & apt. complex on Binbrook Rd E of #56 Hwy & now a new proposed project West of 56 Hwy with a proposed 10 story apt bldg. First of all 10 storys is out of touch with the Binbrook by-laws & secondly the added traffic congestion will be a nightmare at Binbrook Rd & 56 Hwy This traffic is already bad AT this intersection

Please submit your written comments* before leaving the meeting today.

5. Do you have any other comments you would like to share as we move forward with the Binbrook Village Neighbourhood Traffic Management Plan?

- WOULD LOVE TO SEE A ROUND-A-BOUT PUT IN ON BINBROOK RD @ BINHAVEN/ROYAL WINTER.
- I LIVE ON POWELL DR AND WOULD LOVE PARKING ON ONE SIDE ONLY THROUGHOUT THE YEAR. (NOT JUST WINTER). IT'S MUCH EASIER TO SEE THE KIDS AND CARS & SCHOOL BUSES ALREADY SPEED DOWN THESE STREETS EVEN THOUGH ONLY ONE CAR CAN FIT BETWEEN CARS PARKED ON BOTH SIDES. I WOULD BE OPEN FOR SPEED BUMPS TOO SINCE BUSES USE THIS STREET TO TURN AROUND FROM ST. MATTHEWS AND AVOID BRADLEY.

Please submit your written comments* before leaving the meeting today.

5. Do you have any other comments you would like to share as we move forward with the Binbrook Village Neighbourhood Traffic Management Plan?

I think that the question of what time people actually walk would effect the numbers skewing the data. If you walk at 1pm vs. 6pm there is a huge difference in traffic patterns and how people would perceive the safety aspect of walking.

Please submit your written comments* before leaving the meeting today.

Binbrook Village Neighbourhood Traffic Management Plan

We want to hear from you! The City of Hamilton is developing a Neighbourhood Traffic Management Plan (NTMP) for Binbrook Village to enhance safety and create a more livable and walkable community for all road users – pedestrians, cyclists and motorists of all ages and abilities. To gather input from the community a survey was completed from March 8 to April 3 and a Public Information Centre (PIC) was held on April 1.

Please Print Your Name and Contact Information Below:

First Name:	Vicky	**Last Name:**	Ringuette
Address:	253 Southbrook	**City:**	Binbrook
Postal Code:	L0R 1C0	**Email:**	vickyringuette@yahoo.ca

1. **What was the most valuable part of the Public Information Centre (PIC) to help your understanding of the NTMP for Binbrook Village?** *(please check all that apply)*

   - ☐ Viewing the information display boards
   - ☒ Talking with the Project Team
   - ☒ Providing feedback regarding the Project
   - ☒ Other, please specify: Talking with Brenda

2. **Did you find the information provided at this PIC helpful and informative?**

   ☒ Yes ☐ No

3. **If not, what additional information would you like to receive?**

   _____

   _____

   _____

   _____

4. **Did you share your traffic-related safety concerns in Binbrook Village through the online Traffic Survey?**

   ☐ Yes ☒ No

(Please complete both sides of this form)

Binbrook Village Neighbourhood Traffic Management Plan

5. Do you have any other comments you would like to share as we move forward with the Binbrook Village Neighbourhood Traffic Management Plan?

1) Bike lanes or paths from Binbrook Village to the Conservation area.
2) Bike lanes or paths from Binbrook Village to Glanbrook Arena and city services (township municipal centre)
3) Crossing guard at Royal Winter and Binbrook Road to safely get across the street for those who wish to bike or walk their kids to school (Bellmo
4) Bike lanes or paths on Highway 56 all the way from Binbrook Village to Fortinos. This would also help provide a safe path for families who wish to bike or walks their kids to Michaëlle Jean French Immersion School.

Please submit your written comments* before leaving the meeting today.

Additional Project information is available on the Project website: hamilton.ca/BinbrookVillageNTMP

Binbrook Village Neighbourhood Traffic Management Plan

5. Do you have any other comments you would like to share as we move forward with the Binbrook Village Neighbourhood Traffic Management Plan?

ODONNEL DRIVE IS LIKE A RACETRACK. THE ROAD IS ALMOST 1KM LONG AND PASSES BY 2 OTHER ROAD, YAGER (PARALLEL OPPOSITE TO YAGER) & TINLIN WITHOUT ANY STOP SIGNS OR RESTRICTION.

I HAVE WITNESSED PEOPLE DRIVING 60 KM. WE HAVE MANY CHILDREN ON OUR STREET AND WE URGENTLY NEED SOMETHING DONE. IN DISCUSSIONS WITH THE NEIGHBORS, EVERYONE AGREES THAT SPEED BUMPS WOULD BE THE BEST SOLUTION.

ALSO WE DO NOT CURRENTLY HAVE ANY PARKING ENFORCEMENT, CARS ARE PARKED ON BOTH SIDES OF THE ROAD AND SOMETIMES EVEN FACING THE WRONG WAY, SHOULD EMERGENCY VEHICLES NEED TO COME IT WOULD BE VERY HARD FOR THEM TO GET BY.

Please submit your written comments* before leaving the meeting today.

Binbrook Village Neighbourhood Traffic Management Plan

5. **Do you have any other comments you would like to share as we move forward with the Binbrook Village Neighbourhood Traffic Management Plan?**

(A) INTERSECTIONS OF:
BINHAVEN BV & BINBROOK Rd } need stoplight or roundabout
(B)
ROYAL WINTER DR & BINBROOK Rd.

In these corners ~~there~~ are not able to turn left due to traffic congestion especially during school & work peak times. Could be used by pedestrians more as population grows to cross.

Please submit your written comments* before leaving the meeting today.
