The following lists companies the City of Hamilton is aware of that provide road closure services. It is in no particular order. Additional companies may exist that provide the same service, so it is advised that you search for a company that meets your particular needs and budget. Please note that whichever company you choose is required to submit a Traffic Control Plan to the Corridor Management Section of the City of Hamilton. Should you require more information, contact Rich Shebib at 905-546-2424 x3909. Updated: 11/04/2021
